Vice-President's Message

This month's meeting will have a presentation by Ron Miller on setting displays for orchid shows and will also be a short auction of the thirteen plants we have left from our day at the CNU symposium. I also have a "Thank You" card for Sheldon and Carmella's orchids for his fairness in dealing with us on this order of plants. We have made a profit of well over \$500 (waiting on our treasurer to let us know the final tally), partially thanks to Sheldon's decent business practices, so please come to the meeting and sign the card. And maybe get a bargain on an orchid. Look forward to seeing you there.

Hope you all are doing well, and that your plants are thriving.

Respectfully, Jim Pagot VP/POS

Meeting Minutes

Our March 9th meeting was brought to order by our Vice President Jim Pajot at about 1:30 pm.

Carolyn Tripp read a letter from the VOS society thanking us for participating in their show and sale last month.

We are doing the CNU sale and would need volunteers to help sit the sales table. A sign up sheet is being passed around.

Note from the Newsletter Editor

It would be helpful for our newsletter creation to send news and photos to my email strictly for POS. That email is orchidsloveme@gmail.com

It will be less likely to overlook your information in all the spam I am getting on my cox account that is now through yahoo.com.

Thanks so much, Kathryn
