Vice-President's Message

Hello, everyone,
Hope all is well with you and your plants are thriving. This month's speaker will be Sarah Hurdel, and much thanks to Ron Miller for his efforts in getting her to come speak with us on "The Layer Cake Method of growing bulbophyllums". She will be bringing plants for sale so be sure to bring your checkbooks, Also note that there will be no member plant sales when our speaker is selling plants.

Please also note that we will need to nominate officers for next year, so if you can find it in yourself please consider volunteering for one of the open positions. Hope to see you all at the meeting, as it should be a good one. Orchids for our Holiday party and Bingo on Dec. 7 are on order and may even be here at my home by this month's meeting. There will be a nice quantity, so be sure your dues are paid up for this year so you can participate in the bingo, as only paid up members can do so.

Regards,
Jim Pajot

Meeting Minutes

Our President, Peggy Rogers opened the October meeting about 1:30p She talked about our participation in the VOS show in February. We will be in a different area due to the construction. It was thought that they would not have a show next year but the construction will not interfere. Everyone agreed that we should set up a table display.

A nominating committee is needed to get officers for next year. If you want to volunteer, let Peggy know before next meeting.

Treasurer's report was, we have over \$4700 in checking account and over \$13,000 in CD.
